

Welcome to the ASSA ABLOY Door Security Solutions® Secure Extranet

To gain access or change access rights to the crcDash Extranet please complete the following form and send to:

crddash.emtek@assaabloy.com

crdDash Extranet Access Rights

Check One

Name	email Address	Limited Access	Limited Upgrade	AP Access	Full Access

Provide Emtek customer account number:

crdDASH for Dealers/Distributors – Limited (Default):

This will grant access to all brands. Users are unable to view anything involving pricing or sales information. This level may provide access to price books if available. Please note that users with limited access will have access to the Curries COW and Graham gBusiness links as long as they hold an active Curries or Graham account, respectively.

crdDASH for Dealers/Distributors – Limited Upgrade:

Same as above, but with Online Order Entry and FLASHship Order Entry added if available. No access to buying programs.

crdDASH for Dealers/Distributors - AP Access:

Same as Full Access except users have no access to the Monthly Sales graph. This level is intended for dealer/distributor Accounts Payable employees who need access to information such as invoices, credits, and accounts receivable statements but not sales. This level also provides access to Online Order Entry (if available) and enables you to make online payments. (Note that access to Curries COW and Graham ordering links are provided with Limited access).

crdDASH for Dealers/Distributors - Full Access:

Grants access to all information for all brands, including acknowledgements, quotes, invoices, AR statements, credit memos, RGAs, and monthly sales. This level also provides access to Online Order Entry (if available) and enables you to make online payments. (Note that access to Curries COW and Graham ordering links are provided with Limited access).

Access approval email must be sent by the company owner, CEO, President, or other corporate officer:

Name: _____ Title: _____ Date: _____
